From May 28 to June 1, the town of Zuidwolde will host the international equestrian show jumping competition that is part of the official calendar of the FEI circuit.

The CSIO De Wolden is an official equestrian show jumping competition included in the calendar of the Fédération Equestre Internationale (FEI). This annual event brings together national teams of different categories and origins, and is an important meeting point for European equestrian sport.

Spain will be represented by a delegation of riders in the categories of Children, Juniors and Young Riders. Marta Giralt, Nicolás Cobo, Lucas Morote, Juan Riva and Elena Appendino, all of them with experience in international competitions, will participate. [Check schedules and dates of participation.](#)

The competition will include both team and individual events, and will take place at the HJC Manege, an equestrian center located on the outskirts of Zuidwolde. The sports program is complemented by parallel activities open to the public.

From Amsterdam, Zuidwolde is about a 2-hour drive from Amsterdam. It is also possible to travel by train to Hoozeveer, from where you can take a cab or local bus. There are parking areas at the site for visitors.
