“TEFAF Maastricht” is an annual international art fair showcasing museum-quality ancient, modern, and contemporary art, featuring a strong Spanish presence and a program of expert talks on collecting, conservation, and design.

*TEFAF Maastricht* is an annual international event designed for professionals and art enthusiasts. It will showcase galleries specializing in ancient, modern, and contemporary art, as well as jewelry and design, all featuring museum-quality pieces. A key aspect of the fair is its verification process, where a committee of experts evaluates the authenticity and condition of each exhibited work.

Beyond its commercial significance, *TEFAF* serves as a gathering place for collectors, dealers, academics, and art critics, establishing itself as a reference point in the international market. This edition will highlight a strong Spanish presence, with galleries such as Artur Ramon Art, Mayora, Caylus, Colnaghi, Deborah Elvira, and Montagut Gallery participating.

The fair will also include a [program of talks and conferences featuring international experts](#) in art, collecting, and conservation.
